NEW BUSINESS

Joe Feaster had called to ask about LBW donating to a Children's Miracle Network Bullriding event he holds. We agreed to donate \$300. We will get an arena sign, an ad in the program and our logo on the back of the mutton buster t-shirts. Joe is also doing a rodeo in Black River Falls. He will be renting the LBW steel for that.

Thanks for the Coulee Region Riders in Holmen for hosting our rodeo and clinic. They had a lot of television and radio ads to help get our name out for people to hear.

Raffle Tickets

The top seller for the LBW raffle tickets will win a 14 1/2" Circle Y roping saddle (donated by Circle Y with the help of Cathy Dunn of Mounds Pet Foods of Middleton) and an Impact gel pad. Second prize will be an Impact Gel pad. Get out and sell those tickets. A Midseason prize will be awarded at Highland.

Attention Rodeo Committees

If you are having any special events going on during your rodeo. LBW website is available to list your events. Go to lbwrodeo.com and click on "contact us". Carolyn will get your info on the site. Thanks

OLD BUSINESS

The new trailer is all set and being used. A big thank you to the Holmes family for the use of their shed and welders to get the trailer ready. A motion was made to pay Holmes' for the extra electricity used.

The boom truck is now sold. The old semi trailer will be sold as soon as we get a replacement title.

The booth at Midwest Horse Fair was a big success. We have lots to build on for next year. We will be in the same spot as this year. Any ideas, suggestions or volunteers for next year will be greatly appreciated.

The clinic at Holmen went well. We will have to work on a few changes for next year if we have the two clinics together, as far as sharing arena space and time.

The information booth is still in need of someone to run it. Please step up and help out if you can.
