LBW BANQUET:

A HUGE thanks to all who helped make the LBW Banquet a success, once again it was a great time had by all. The auction raised over \$3700 for LBW, thanks to everyone who donated items for the event. A special thanks to the guys who handed out the auction items when sold, and to Todd Peterson and Chip Tiedeman for their willingness to auctioneer the event. Over the years Kathy Dunn of Mounds Pet Foods has always gone out of her way to provide many items for the kids at the banquet, thanks much Kathy on behalf of the kids!!

OLD BUSINESS

Teardown of Steel After Rodeos:

There has been a lack of help at the rodeos when it comes to tearing down the steel, its quite often the same people doing the same work, putting in long hours before their long trip home. Suggestions were made to encourage people to help:

1. Possibly start rodeo earlier, to get done earlier.
2. Possibly withhold handing out awards until the work is completed.

SCHOLARSHIPS:

• Congratulations to our Seniors who won LBW Scholarships, two \$500 (1 girl/1 boy) and two \$250 (1 girl/1 boy) scholarships were awarded. Seniors who were interested in applying for scholarships were asked to fill out a form and explain their future plans.

1. First Place \$500 (boys)- Jed Lathrop
2. Second Place \$250 (boys)- No one applied for scholarship
3. First Place \$500 (girls)- Jenny Johanning
4. Second Place \$250 (girls)- Anna Mae Lang
